**Subject:** Portland Harbor Final Draft Public Health Assessment  
**Date:** 09/14/2011 11:14 AM

---

You are receiving this email because you have at some point expressed interest in receiving updates regarding our work on the Portland Harbor Superfund Site.

The Oregon Health Authority's (OHA) Environmental Health Assessment Program (EHAP) has incorporated comments from the public on the Portland Harbor Recreational Use Public Health Assessment into a final draft that is now available online.

Please follow this link for more details and for electronic access to the full report:

<http://public.health.oregon.gov/HealthyEnvironments/TrackingAssessment/EnvironmentalHealthAssessment/Pages/phsite.aspx>

.

Feel free to contact me with questions.

David Farrer
